

Mo Sweets Marks First Anniversary

By State Rep. Ann Flood

Congratulations to Morgan and Mo Sweets Bakeshop on reaching its first anniversary!

One year in business is a wonderful milestone, especially for a small business built on hard work, creativity and a passion for what you do. I'm glad the Slate Belt Chamber was there to celebrate Morgan's accomplishment with a ribbon cutting at the Mt. Bethel Plaza.

Although our Veterans Appreciation Breakfast kept us from being there in person, I was happy to send a certificate of recognition and my congratulations to Morgan on this special milestone.

Congratulations, Morgan, and here's to many more successful years for Mo Sweets Bakeshop!

A Visit with New Vitae's Brain Injury Team

By State Rep. Ann Flood

For individuals living with traumatic or acquired brain injuries, having a safe place to live with the right support can make an enormous difference in their ability to thrive.

On Wednesday, I toured New Vitae Wellness and Recovery Center to learn more about its brain injury program and the services it provides to Pennsylvanians and their families. Seeing the facility firsthand and talking with staff gave me a better understanding of both the work being done there and the growing need for these services.

During my visit, we discussed plans for an expansion project and the challenges created by inadequate reimbursement rates for residential rehabilitation for individuals with brain injuries. Expanding these services will be important to meeting the needs of people who require a safe, supportive place to reside while receiving the care and assistance they need.

As a co-chair of the Pennsylvania Brain Injury Caucus, I appreciate the opportunity to visit organizations like New Vitae and hear directly from the people working with individuals and families affected by brain injuries. These firsthand conversations are important as we look at ways to strengthen services and address the gaps that remain.
