

Kerry Bethlehem Coffee Extraction Facility Ribbon Cutting

By State Rep. Joe Emrick

Congratulations to Kerry on the ribbon cutting for its new Bethlehem coffee extraction facility!

This multimillion-dollar investment, with plans to create at least 61 new full-time jobs, will strengthen our local economy and expand the Lehigh Valley's growing food and beverage manufacturing industry.

A Pennsylvania House of Representatives citation was presented to Kerry to recognize the opening. Thank you to Kerry for investing in our community and creating new opportunities for local workers!

A New Chapter. An Even Greater Purpose.

By The Bloom Team

We're excited to officially welcome Grounds for Restoration to the Bloom family!

Grounds for Restoration is now a Bloom social enterprise, offering specialty-grade coffee while creating meaningful employment opportunities for survivors of sex trafficking and sexual exploitation.

Founded in 2015, Grounds for Restoration has sold more than 20,000 bags of coffee while supporting organizations working to address human trafficking—including Bloom. Now, as the founders retire, they have generously gifted the coffee business to Bloom, allowing its mission to continue in a powerful new way.

Beginning today, you can shop our collection of Colombia, Guatemala, Ethiopia, Sumatra and Decaf coffees, locally roasted by Mad Catter Coffee Roasters in Allentown. Our coffee will be sold online at shopbloom.store and at My Sister's Closet in Bethlehem, Bloom Creative Studio in Bangor, and the Gift Shop at the St. Francis Retreat Center in Easton.

And to celebrate, enjoy 15% off Grounds for Restoration coffee throughout October with code BREWINGHOPE.

Every cup can help create opportunity. Thank you for continuing to support Bloom, our social enterprises and the women we serve.
