

Mascot Day Brings College Spirit to the Capitol

By State Rep. Ann Flood

The Capitol welcomed some special visitors as college mascots from across Pennsylvania made their way to Harrisburg for the Association of Independent Colleges and Universities of Pennsylvania (AICUP) annual Mascot Day!

I enjoyed seeing Roary, the leopard mascot from Lafayette College, which I'm proud to represent in the 138th Legislative District, and Clutch, the Mountain Hawk mascot from Lehigh University. With my son being a Lehigh graduate, it was especially fun to have a connection to both schools.

Lafayette and Lehigh are longtime rivals, so getting a photo with Roary and Clutch together made the visit even more fun. I was glad to welcome both mascots to the Capitol and celebrate the school spirit and traditions they represent.

Thanks to AICUP for bringing Mascot Day to Harrisburg and highlighting Pennsylvania's independent colleges and universities and the important role they play in our communities.

Triple M Treats Reaches a Decade of Sweet Success

By State Rep. Ann Flood

A decade of sweet success is worth celebrating! Triple M Treats, LLC recently marked its 10-year anniversary with a ribbon-cutting celebration at Tolino Vineyards hosted by the Slate Belt Chamber.

To help commemorate the milestone, I was pleased to provide Triple M Treats with a certificate from the Commonwealth of Pennsylvania congratulating the business on 10 years of service and its commitment to the Slate Belt community. Local businesses like Triple M Treats are an important part of what makes our communities strong, and I'm proud to recognize this milestone.

While I was unable to attend the celebration, I was glad to have the opportunity to recognize this special milestone. Congratulations to Triple M Treats on 10 years of success, and best wishes for many more to come!

Financial Aid Event

Financial Aid 101

This presentation provides information on the financial aid application process, what types of aid are available for students, and strategies to start thinking about affordability before getting ready to apply for post-secondary school admission. Time will be built into the presentation to allow you to ask any questions you may have regarding the financial aid process.

October 21, 2026
6:00-8:00 PM (ET)
