187 Blue Valley Drive, Bangor 610-588-1000

Santa's Elves is an SBCC Committee that serves local families in the holiday season!

October is Breast Cancer Awareness Month

By State Rep. Joe Emrick

To honor those who have fought breast cancer or who are fighting it now, the fountain at the Pennsylvania State Capitol has been dyed pink again this year in recognition of October as Breast Cancer Awareness Month.

Breast cancer is the most common cancer in women in the United States, except for skin cancers. It accounts for about 30% (or one in three) of all new female cancers each year. It is the second leading cause of cancer death in women, second only to lung cancer.

The pink fountain is also a reminder to all women of the importance of mammograms and early detection. People with low to moderate income who are uninsured or underinsured and meet certain age requirements may qualify for testing through the Pennsylvania Breast and Cervical Cancer Early Detection Program. To learn about the program and eligibility, click here <https://www.pa.gov/agencies/health/diseases-conditions/cancer>.

Bill Supports Families of Fallen Law Enforcement Officers

By State Rep. Joe Emrick

I recently joined in the unanimous support of legislation that would ensure the dependents of fallen municipal police officers continue to have health insurance coverage.

House Bill 911 would provide insurance to the surviving spouse of the officer for his or her lifetime, and children would be covered until age 26. The proposal mirrors the benefits already available to Pennsylvania State Police families experiencing line-of-duty deaths.

When an officer gives his or her life in service to our Commonwealth, their mourning family members should not have to worry about access to insurance benefits. The bill is now pending consideration by the Senate.

VALOR's mission is to improve the lives of our nation's Veterans by providing free access to coaching and care that will address service-connected conditions and improve life skills for work and life outside of service.

Proceeds from this event will allow deserving Veterans to participate in VALOR's 'Veteran's Unstoppable' program. Veterans Unstoppable is a series of group counseling retreats meant to help men and women who have served to understand their experiences and create positive futures.
