Honoring Our Veterans

By State Rep. Ann Flood

On Wednesday, Nov. 11, we recognize Veterans Day by remembering the sacrifices these men and women made on behalf of our citizens and people around the world.

Veterans Day, originally known as Armistice Day, first marked the one-year anniversary of the end of World War I, on the 11th hour of the 11th day of the 11th month, and sought to honor the veterans of the World War – the only world war to have occurred at that time. Armistice Day was declared a national holiday in 1938 to acknowledge world peace and then was renamed Veterans Day in 1954 to celebrate the contributions of veterans of all wars.

New Law Cracks Down on Deceptive Telemarketing Schemes

By State Rep. Ann Flood

A new law modernizing the Commonwealth's regulation of telemarketing took effect earlier this week with the goal of cracking down on spoofing, robocalls, scam texts and more.

Act 47 of 2026 prohibits telemarketing calls before 9 a.m. and after 7 p.m., and at any time on Sundays and legal holidays. It requires prior express written consent for most robocalls and telemarketing text messages for those on the Do-Not-Call List and prohibits deceptive or fraudulent practices used to obtain a consumer's consent.

The law also prohibits telemarketers from falsely identifying themselves or using deceptive caller ID information, including spoofed numbers. It allows consumers to opt out of telemarketing text messages by responding with commonly recognized terms such as "STOP," "QUIT," "END," "CANCEL" or "UNSUBSCRIBE." Finally, it requires telemarketers to stop their solicitation when a consumer asks them to do so.

DEP Accepting Applications for Environmental Education Projects

By State Rep. Ann Flood

The Pennsylvania Department of Environmental Protection (DEP) is now accepting applications for its Environmental Education Grants Program through Friday, Nov. 13.

Eligible applicants include public and private schools and universities, county conservation districts, nonprofit organizations and businesses. Projects must be implemented July 1, 2027, through June 30, 2028. There are three tiers of awards available: Seed Grants for projects up to $5,000; Grow Grants for projects between $5,001 and $30,000; and Impact Grants for projects between $30,001 and $65,000.
